

MONTGOMERY SOCCER CLUB SPONSOR LETTER

We are excited to announce that the Montgomery Soccer Club, a non-profit organization, is ready to begin another winning year. At Montgomery Soccer Club, we offer area soccer players the chance to improve their skills to help attain their personal goals. The athletes will be traveling and competing against teams in the Houston area trying to earn a spot in the state tournament. Last year we had three competitive teams and two of them earned a spot in the state tournament. We are looking forward to a successful season.

With these goals and efforts, there is a financial burden placed on each individual family. In an effort to help offset the cost of participation in Montgomery Soccer Club, we are seeking corporate sponsorships for individual players, teams, and the club as a whole. It is our hope that area businesses will make a contribution to help decrease expenses that will be incurred in the upcoming season, practice, training, and tournament fees and help develop the youth of our community. We are pursuing support from businesses that are interested in promoting athletics and improving team oriented skills. Your company will then have the opportunity to have their name posted on the website with acknowledgement and thanks.

On an individual basis, we also are interested in patron donations. If you are able to provide a contribution we would appreciate your support. You will have the choice to remain anonymous or to have your name published on our website.

All contributions are tax deductible and will go to offset the individual cost for any specified player.

Our website is: www.montgomerysoccerclub.com

Our goal at Montgomery Soccer Club is to give athletes an opportunity to improve their soccer skills to the next level and to help aid the player in seeking a collegiate scholarship. While also teaching the game of soccer, the staff will be showing the athletes that working hard, working together and pledging commitment is what it takes to be part of a successful team, all the while making new friends and having an enjoyable experience.
